for a discussion of

THE COUPLE NEXT DOOR  
by  
Shari Lapena

For a change of pace this month, we're reading a mystery/suspense that will keep you turning the pages. To quote Amazon, the story is about Anne and Marco Conti, a couple that "seem to have it all—a loving relationship, a wonderful home, and their beautiful baby, Cora. But one night, when they are at a dinner party next door, a terrible crime is committed. Suspicion immediately lands on the parents. But the truth is a much more complicated story.

"What follows is the nerve-racking unraveling of a family—a chilling tale of deception, duplicity, and unfaithfulness that will keep you breathless until the final shocking twist."

All are welcome to our discussions. Come share your thoughts with us.
