

- Use of all of the amenities is at your own risk.
- These amenities are open for resident use ONLY-**Please no guests at this time.**
- We recommend using gloves, masks, disinfecting wipes, hand sanitizer, etc. when using the amenities.
- We recommend using a towel or other covering when using the pool furniture.
- Social Distancing must be adhered to - no gatherings of large groups. Try to keep apart from others.
- These amenities will be 7 days/week, regular seasonal hours.
- The Pools are now open at full capacity.
- Management Staff along with Security Staff will monitor the pools and courts throughout the day. Anyone not practicing social distancing will be warned and may be asked to leave if compliance is not met.
- We will be periodically disinfecting chairs, table, bathrooms, etc. throughout the day.
- Resident IDs will be required and may be requested by Management and Security Staff. Please be ready to show ID when using the amenities
- **Residents needing to obtain an ID can email or call the community management office for instructions. The Community Management Office is open for in person transactions. However, for the safety of residents and our staff, we will be limiting the number of people in the office. Appointments are still encouraged. We would also encourage you to utilize the drop box if you are dropping off ARC Applications, New Residents Packets, etc. E-mail: [vphoa@evergreen-lm.com](mailto:vphoa@evergreen-lm.com) or 386-738-2112**
- Please see the Lifestyle Newsletter that goes out on Mondays for Fitness Class updates and all other Lifestyle related information.
- **In-person Lifestyle Activities Events and Amenity Rentals are still restricted until further notice.**

The Board and Management retain the right to close the amenities, without notice, if social distancing and capacity/ large gatherings are not adhered too.

We have increased cleaning and sanitizing at all of the amenities but please remember they are all open for use at your own risk. We ask all residents to follow CDC guidelines and practice social distancing when using these amenities. Wash your hands often. When using the fitness centers, please wipe down equipment before and after use.

Thank you for all of your patience and support during this time!
