

Meet the VeeGees

Whether you sing or have other special musical talents, you can use them with the VeeGees, our community chorus.

In 2006, residents formed a Karaoke group to have fun singing. From that simple beginning, the group grew and developed into a real chorus. Our current director, Deane Booth and his late wife Kathy, brought welcome changes by moving from unison singing to more complicated music with multiple parts. The VeeGees grew as members joined to sing, meet new friends, and have fun with chorus numbers, solos, and ensembles.

Numbers have grown to around twenty-five, but the membership changes as various circumstances cause people to drop out. New members are always welcomed. In addition to singers, there are needs for lighting, sound, promotion, videotaping, artistic design and more.

Christmas shows sold out as the community and friends enjoyed each fun filled performance. The VeeGees also perform for residents and to honor the military on Memorial Day and Veterans Day. Themes for some of the previous shows have included: Christmas Around the World, All About Girls (songs with girl's names), Broadway Tunes, and Romance.

Practice will begin in September for the Christmas show. Let us know if you would like to be a part of this friendly group. For more information please contact Lynn Hatchett at lynlines@aol.com.
