

STARKE STUDENTS NEED YOU!

Classroom Help

Our teachers would love extra hands in the classroom. Some tasks include organizing, filing, putting books together, cutting out materials and helping students with learning activities in the classroom. You can volunteer as little as an hour a week or every day. The choice is yours.

Bulletin Board Brigade

Are you creative or crafty? Starke Elementary needs you. We are looking for volunteers to create and maintain bulletin boards monthly. Bulletin board ideas will be provided but artistic license is always welcome. Volunteers will staple craft paper and border to the bulletin boards. Create the bulletin board pieces and put them on it. Volunteers can work when they are available the last

week of every month. Hours are flexible between 8am and 3:45pm.

Early Morning Library Help – Library League

Do you enjoy working with students? Our library is booming before school. Starke has a student club that helps check in and out books as well as shelves books and monitors computer use. However, I need more eyes on our students. Some mornings we can have 25+ students who want or need help choosing books, checking in and out books, taking quizzes on books or just to have a reading buddy to encourage them. If you are available from 7:30am - 8:30am any day, I want you. You can choose one day, a few days or every day.

Media Center/Library Help

The library is the heart of our school. You can work with children or not. I need volunteers to check in and out books to students. I need volunteers to laminate classroom materials and to cut it out. I really, REALLY need help with shelving books every day. Every day is different. Sometimes we are preparing activities for upcoming classes or events, other times we are working on a project for a teacher or the administration. I have a few volunteers, but I can always use more.

Online Volunteer Application:

In order to volunteer at Edith I. Starke Elementary School, you must complete an online volunteer form at [http://myvolusiaschools.org/volunteer-partnership/Pages/Volunteers-\(VIPS\).aspx](http://myvolusiaschools.org/volunteer-partnership/Pages/Volunteers-(VIPS).aspx). Once you have completed the form, please email me at ssieg@volusia.k12.fl.us or my assistant, Ms. Reyes at mreyes@volusia.k12.fl.us. We can check and let you know when your application has been approved.
