BOARD OF DIRECTORS

What is your vision for the future of Victoria Park? Please describe how your leadership skills can assist the Association in accomplishing this goal:

My vision is to keep VP a beautiful welcoming community with a very cohesive HOA that works for the greater good of all.
We want this to be the premier community in Deland.

My skills that I bring to this appointment would be - first - a good listener. (seek first to understand and then be understood). We will have many different perspectives on issues and I feel all should be heard. No agenda (personal)
I'm a team player and will have the greater good of all the HOA foremost.

I feel I have good assessment skills of issues and problems in order to ask the right questions to formulate a good outcome.

Great attitude - easy to work with.

Thank You for your consideration.
