Sebastian Wine

Our flagship wine, Sebastian Wine, is a sweet, dark robust red, bold wine from California. As a blend of Zinfandel and Petite Sirah, it offers up a bountiful bouquet of prune, raspberry, peach, with flavors of ripe cherries, anise, and plum, framed by soft balanced tannins. Red berry fruit flavors like raspberry predominate in this wine. Because of its rich fruity flavor, Sebastian Wine is most commonly used as a Eucharistic or enjoyed as a dessert wine. When used in Divine Liturgy, Sebastian Wine does not lose its nice dark red color nor sweetness when water is added. As a dessert wine, it also goes well with sweet desserts, cheese, nuts, dried fruit, chocolate and other sweet foods. It is produced from two types of Zinfandel grapes grown and processed in the Paso Robles region. Sebastian Wine derives its name from a Saint from California, Sebastian Dabovich, who was the first American born Orthodox priest.

14.5% alcohol
