

STATE OF OUR HEALTH:

Cannabis and Youth

Tuesday, December 13th, 6 – 7:30 p.m.

Please join Beach Cities Health District's community education forum, State of Our Health: Cannabis and Youth. This virtual information session will focus on youth cannabis use, including discussion with a panel of health providers and a student representative followed by a Q&A. The event will be recorded and available to share with the community for those unable to attend.

Register online at www.bchd.org/cannabis.
