

# Canada Tax Expert Corp — Your Virtual Accounting Partner

Expert tax and accounting services for small business owners across Canada — simple, secure, and fully virtual.

# One Firm. Every Financial Need.

## Fully Virtual

Serving individuals and small businesses across Canada since 2021 — no waiting rooms, no surprises.

## Real Advisors

Flat pricing and a secure client portal. Actual people reviewing your file, every time.

## Certified & Paperless

Bilingual support, QuickBooks Online certified, and 100% paperless from day one.

# Year-Round Bookkeeping That Keeps You CRA-Ready

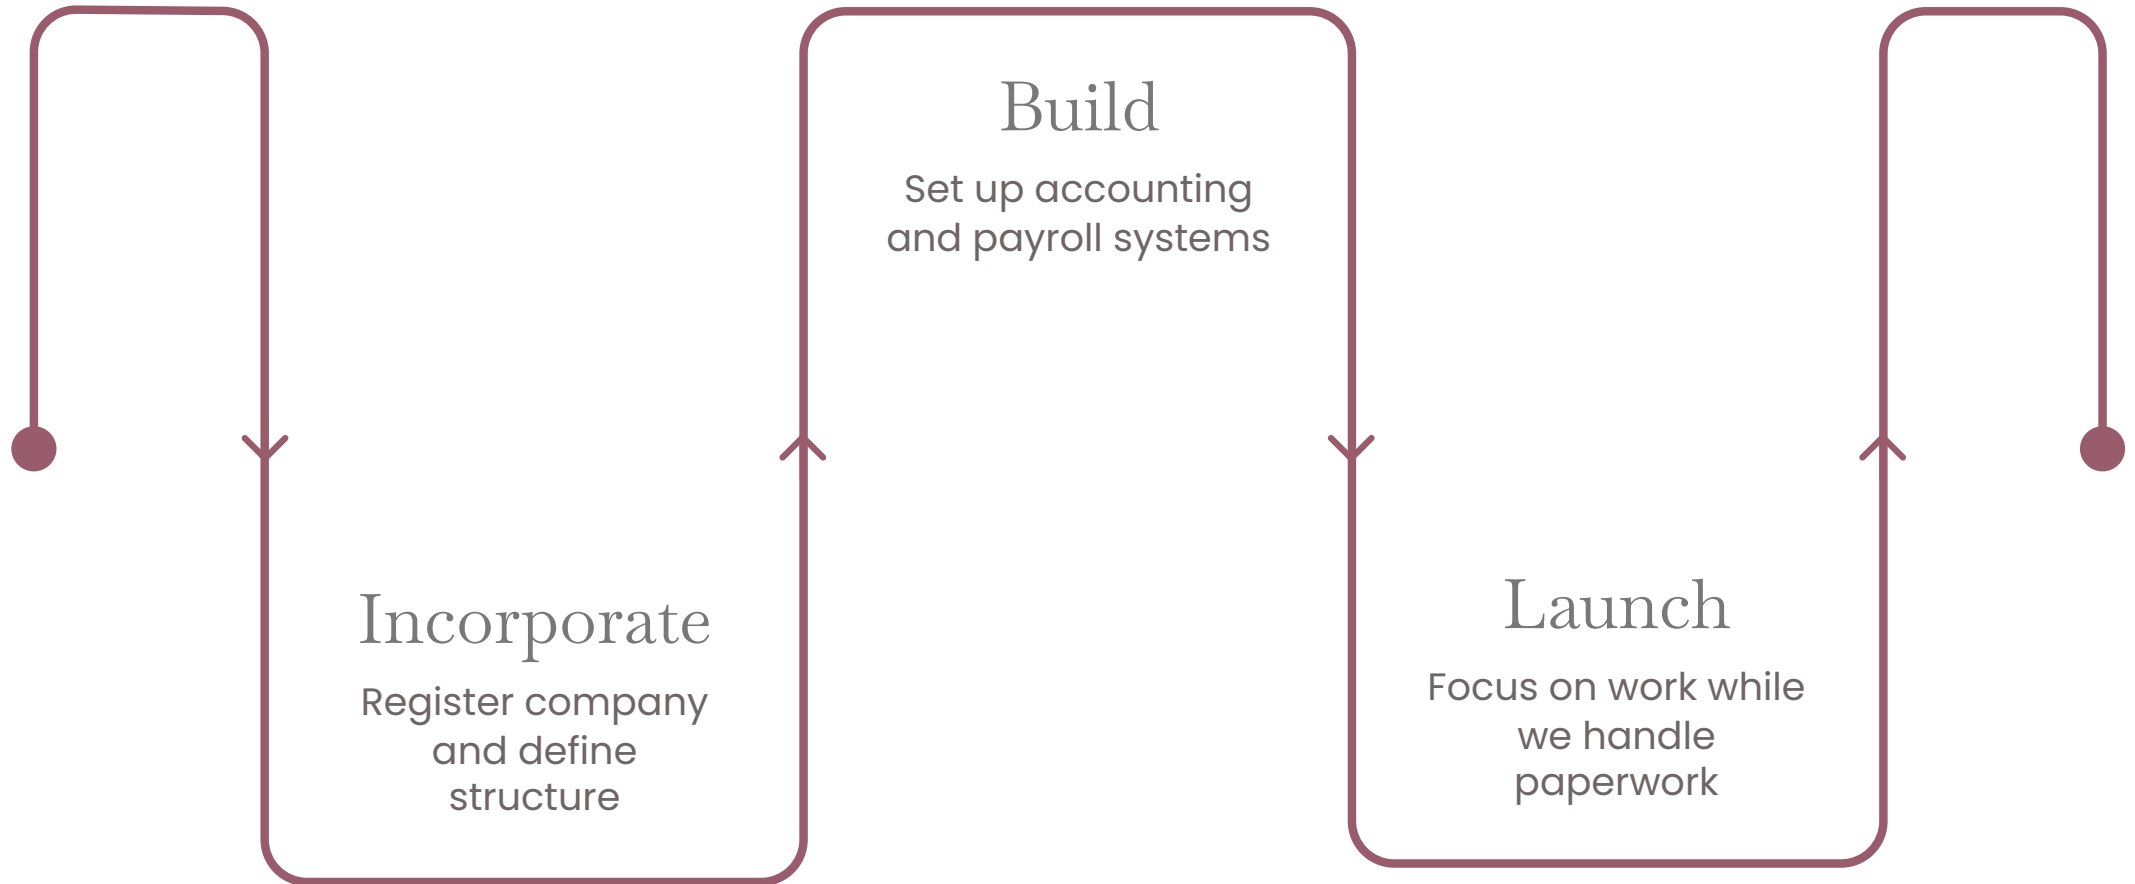

## No More Year-End Scrambles

Custom monthly packages deliver fully reconciled books — not a frantic catch-up every spring.

- HST filings and payroll remittances handled on schedule
- Source deductions submitted accurately and on time
- Automated reminders so nothing slips through the cracks

# Starting a Business? We Set Up the Foundation.

From incorporation to your first payroll run, we build everything you need — so you can focus on the work, not the paperwork.

# Corporate & Personal Tax Returns Done Right

## T<sub>1</sub> — Personal Tax

Every credit and deduction reviewed by an advisor, not just software. Your full picture, not a rushed estimate.

## T<sub>2</sub> — Corporate Tax

Accurate, CRA-ready filings with full advisor oversight. Deadlines met, liabilities minimized.

## Year-Round Optimization

RRSP timing, income splitting, and self-employment planning — proactive advice, not just filing.

# Life Events & Consulting

Major financial decisions deserve more than a quick Google search. Before you sign anything, our advisors review the full picture.

- Buying or selling property
- Selling a business
- Changing residency or immigration status

📄 Get a second set of expert eyes — before it's too late to change course.

# Built Virtual from Day One

## Secure Client Portal

Exchange, sign, and track every document — no risky email attachments, ever.

## Transparent Flat Pricing

You know the cost before we start. No hourly surprises, no hidden fees.

## Bank-Level Encryption

Every file protected against fraud and data loss. Your information stays yours.

## Paperless by Design

Sustainable, convenient, and fully digital — the way modern accounting should work.

# Get a Flat Quote — Usually Within One Business Day

Reach us by phone, email, or the contact form. Every request routes to a **real advisor** — not a chatbot, not a queue.
