

2014 - 45<sup>th</sup> Street Galveston, Texas 77550

## Position Available – Full Time Nursery Foreman

### Job Description:

- Assign daily work duties for you and your outside staff and supervise their work while working as a team to take care of the daily responsibilities of the nursery.
- Maintaining, watering, pruning, raking, thinning, weeding, transplanting, loading and unloading trees and plants in a retail nursery environment in full view of customers, using hand tools and gardening tools.
- Identify plants as well as problems such as diseases, weeds, and insect pests.
- Apply organic pesticides and organic fertilizers to plants.
- General duties around the nursery as they relate to the upkeep of the nursery.
- Loading and unloading soils, mulches and rock.
- Delivery of plants and furniture to customer residences on and off the island.
- Maintaining and operating various equipment and vehicles in a safe, clean, professional manner.
- Experience operating a Front-End Loader & Forklift
- Inspect facilities and equipment for signs of disrepair and perform necessary maintenance work.
- Keep up with product inventory.
- Enforce safety regulations.
- Assist in the upkeep, stocking and fulfillment of customer orders
- Furniture assembly

### Qualifications:

- Bi-lingual (English and Spanish)
- General Plant Knowledge and Industry Experience a plus.
- Good organizational skills with the ability and willingness to keep all areas of the nursery, including warehouses, tidy, clean, organized and in good repair.
- In good physical condition and able to handle lifting and loading of heavy objects on a regular basis.
- Presentable and well-groomed for a retail setting.
- Comfortable working outdoors all day every day.
- Available to work Monday thru Saturday.
- Clean driving record and current driver's license
- Punctual, meticulous & reliable
- Courteous, personable disposition
- Non-smoker
