

How to Access a Zoom Meeting: Computer, Smartphone or iPad

If you do not have access to a computer with built-in speakers you will need to use the mobile app on your smartphone or an iPad.

1) Invite via email on your computer:

You will receive an invite via email that looks like this, see below. Copy the “Join Zoom Meeting” link and paste it into an open tab in your browser. To copy, highlight the text and then hold down “ctrl” key and push “c”. To paste the link in your browser, hold down the “ctrl” key and push “v”. The first time you login you will be prompted to download the Zoom app, allow extra time.

It might take a minute to load, then you should be in the meeting. Join with both computer audio and video.

Betsy Solomon is inviting you to a scheduled Zoom meeting.
