

2021 AAAAI Annual Meeting UNC Faculty/Staff Presentation Schedule

Friday, February 26

2:50p – 4:05p CST .. **Edwin Kim, MD, MS**

3:50p – 5:05p EST .. Live Symposium: Food Immunotherapy: Lessons from Research Studies

Session: 1704

Role: Moderator

..... **Neil Alexis, PhD**

Recorded Pro/Con Debate: Concerns and Controversies of Vaping

Session: 0404

Role: Moderator

..... **Eveline Wu, MD, MSCR**

Biologics in Autoimmune Diseases: Lessons Learned

Session 0102: Recorded Course: One Size Does Not Fit All: Precision Medicine in Allergic Disease and Primary Immunodeficiencies (PID)

Saturday, February 27

12:20p– 1:35p CST . **Eveline Wu, MD, MSCR**

1:20p– 2:35p EST ... Autoinflammatory Disorders: Pathophysiology of Hyperinflammation Associated with COVID-19

Session: 2404: Update on Autoinflammatory Disorders

Live Symposium

3:45p– 4:45p CST ... **Millie Kwan, MD, PhD**

4:45p– 5:45p EST ... Finding Unicorns Among Zebras: When and How to Test Common Variable Immune Deficiency (CVID) Patients for Underlying Immunodysregulatory Conditions

2705 Seminar

Ticketed

5:10p– 6:25p CST ... **Allison Burbank, MD**

6:10p– 7:25p EST ... Association of Step Count with PROMIS Health-Related Quality of Life Measures in Children and Adolescents with Persistent Asthma

Session: 2802: Asthma Pathophysiology, Epidemiology, and Treatment

Oral Abstract Session

5:10p– 6:25p CST ... **Edwin Kim, MD, MS**

6:10p– 7:25p EST ... Safety and Efficacy of Peanut Sublingual Immunotherapy in Toddler-aged Peanut-Allergic Children

*Session: 2807: Late Breaking Oral Abstract Session
Abstract L2*

5:10p– 6:25p CST ... **Mike Kulis, PhD**

6:10p– 7:25p EST ... Peanut Protein-Loaded Microneedle Patches are Immunogenic and Distinct from Subcutaneous Delivery

*Session: 2807: Late Breaking Oral Abstract Session
Role: Oral Abstract Presenter
Poster Number (FYI for Publication): L9*

Sunday, February 28

3:45p– 5:00p CST ... **Millie Kwan, MD, PhD**

4:45p– 6:00p EST ... Biologics Indicated for Asthma and Allergic Skin Disease

Live Workshop: 3715: Trivia Hour: Do You Know Your Biologics?

5:10p– 6:25p CST ... **Tim Moran, MD, PhD**

6:10p– 7:25p EST ... Air Pollutant Exposure Induces Peanut Allergy in an Animal Model

*Session: 3805: Immune Regulation of the Allergic Response: Novel Insights
Oral Abstract Session*

5:10p– 6:25p CST ... **Erin Steinbach, MD, PhD**

6:10p– 7:25p EST ... Intestinal Barrier Dysfunction Accompanies Peanut Allergy in CC027/GeniUnc Mice

*Session: 3805: Immune Regulation of the Allergic Response: Novel Insights
Oral Abstract Session*

5:10p– 6:25p CST ... **Olivia Francis, MD**

6:10p– 7:25p EST ... Effect on Age on Clinical and Immunologic Efficacy of Peanut Sublingual Immunotherapy

*Session: 3802: A Display of the Wide Scope of Food Allergy and Eosinophilic Disorders
Oral Abstract Session*

5:10p– 6:25p CST ... **Edward Iglesia, MD**

6:10p– 7:25p EST ... Clinical Documentation of Peanut Allergy prevention in an Academic Learning Health System

*Session: 3803: Telemedicine and Beyond: Let's Make our Practices Better!
Oral Abstract Session*

5:10p– 6:25p CST ... **Robert Immormino, PhD**

6:10p– 7:25p EST ... Inhaled Nicotine Salt Counteranions Induce Airway Inflammation and Promote a Neutrophilic Asthma Phenotype

*Session: 3801: Environmental, Viral and Pollen Factors in Allergy
Oral Abstract Session*

Posters Friday, February 26 - Monday, March 1

..... **Claire Atkinson, MD**

A Case Report of Salt-Dependent Subtype of Aquagenic Urticaria (SDAU)

Poster: CR65

Session: Case Report Poster Hall

..... **Andrew Winslow, MD**

A Novel De Novo PGM3 Variant Identified with Whole Genome Sequencing in an Infant Presenting with Abnormal TREC Assay and Severe Neutropenia

Poster: 221

..... **Stephen Schworer, MD**

Effects of 20,000 EU of Clinical Center Reference Endotoxin (CCRE) Versus Placebo on Systemic and Cardiovascular Inflammatory Responses in Mild Asthmatics and Healthy Volunteers

Poster: 257

..... **Suzanne Barshow, MD**

Biomarkers for Desensitization in Patients Undergoing Sublingual Immunotherapy for Peanut Allergy

Poster: 348

..... **Onyi Iweala, MD, PhD**

Applying a Symptom Scorecard to the Management of Presumed or Confirmed Mast Cell Activation Syndrome

Poster: 384

..... **Cissy Amelio, RN, BSN**

Design of a Mast Cell Activation Syndrome Symptom Scorecard

Poster: 385

..... **Johanna Smeekens, PhD**

Food Antigen Sensitization in Genetically-Susceptible Mice is Influenced by Fecal IgA, Antigen Absorption, and Gut Microbiome Composition

Poster: 455

Category: Allergic Mechanisms
