DEI Update

- We are planning to discuss update vision and goals in the upcoming May Townhall
- Changing the name of our Committee to the NC Children's Committee for Health Equity, Inclusion and Access
- We have begun creating a repository of educational resources and opportunities for individuals interested in learning more about health equity and inclusion
- We are piloting a shadowing partnership with NC Central University during Summer 2024. If you are interested in being a preceptor, let Christian Lawrence know.
- Taking applications for the Redding-Lallinger Visiting Rotation for visiting 4th year students. If you know interested students, send them our way!
