DOROT alleviates social isolation among the elderly through the assistance of volunteers, fostering mutually beneficial relationships while enabling older adults to remain independent in their homes. In Westchester since 2004, DOROT programs include food deliveries, weekly volunteer visits, intergenerational Shabbat celebrations, youth volunteer programs, intergenerational chess program, Lasting Impressions, teleconference classes and support groups. www.dorotusa.org/westchester

We are grateful to the estate of Sanford H. Goldstein for their support of DOROT's Holiday Package Delivery programs.

We are grateful to the following supporters of DOROT Westchester: US Department of Health and Human Services – Administration on Aging (AOA), New York State Office for the Aging, Westchester County Department of Senior Programs and Services; UJA-Federation of New York, Westchester Program Services Cabinet; and the Silverweed Foundation. Thank you to Westchester Reform Temple for hosting the Winter Package Delivery.
