

KABBALAT SHABBAT OF GLOBAL RESETTLEMENT AWARENESS

Friday, March 7, 6:15 pm

As part of our Global Resettlement Initiative, in the spring of 2019, as a result of our efforts, we welcomed sisters Achta and Mariam Ali Khamis, refugees from the Central African Republic, to Westchester County, where they began new lives after years fleeing violent conflict in their home country. This past fall, both sisters attained American citizenship. Come hear their story and meet these exceptional fellow citizens and the dedicated WRT volunteers who assisted them.
