

# WELCOME SUKKOT AT WRT WITH ISRAELI ARTIST ZOYA

***Monday, October 6, 2025 at 6:00 pm***

We are excited to welcome world-renowned Zoya Cherassky-Nnadi, a celebrated Ukrainian-Israeli artist to WRT. Her astonishing depictions of the attacks of October 7th have earned her international recognition, with her works being likened to Picasso's dramatic wartime tableau Guernica.

Our evening will begin with a brief and joyful service in the Sukkah, followed by a delicious dinner and then join us for conversation with the artist and gallery walk.

RSVP above to the dinner.
