

Join us for the 3rd Annual AC4C Prevention Conference

## Making it through: Overcoming Adversity with RESILIENCE!

**Wednesday, November 3, 2021**

**9 a.m. to 4 p.m.**

(Registration and resource fair from 8 a.m. to 8:50 a.m.)

**Midwest Counterdrug Training Center at Camp Dodge  
Johnston, IA**

### KEYNOTE SPEAKER

**Laura Stack, Founder and CEO  
of Johnny's Ambassadors**

On November 20, 2019, Laura and her husband, John, suddenly acquired the undesired wisdom of knowing what it's like to lose one's child, when their 19-year-old son, Johnny, died by suicide. Their mission, through Johnny's Ambassadors, is to educate parents and teens about the dangers of today's high-THC marijuana on adolescent brain development, mental illness, and suicide. Laura is also the author of "The Dangerous Truth About Marijuana: The Life and Death Story of Johnny Stack."

In the business world, Laura is a Hall-of-Fame speaker and corporate spokesperson for many major brands and a bestselling author of eight books on productivity and performance topics. She has given keynote speeches and training seminars to major corporate audiences for over 30 years.
