Coordinator's Comments-

Lauren Schwandt will be sending out a survey on Ellen's presentation on Thursday, please fill out if you attended presentation.

Lauren would like to touch on a piece of the strategic prevention framework every month. Assessment will be the first piece and we will go over at the next meeting in January 2021.

DFC survey numbers are starting to come in from schools. Waiting on 6th graders at Central DeWitt and Camanche 11th graders. Kristin will piece all the information together and will report when it's complete.

No news on DFC Grant as of yet, should know mid-December.

Lauren will send out a survey for what times work best for everyone for Coalition meetings.

Lauren has been sending newsletters to parents of school students via the schools. Also sent a one page informational sheet to Camanche school to have published in Camanche Comment that gets sent to all Camanche community residences as well as sending informational articles to DeWitt Observer. They did run article per Peg Thiltgen.

Day on the Hill is scheduled for February 25, 2021. This may be virtual this time. Hopefully we will have a lot of youth participation. Will send out more information when available.

Around the Table

Laura spoke about MAT clinic. They've had 40 patients come through this year with 27 active patients. She mentioned that one patient admitted to using marijuana, however, in their urine test there was not THC so they got something else other than marijuana. Steve mentioned that there is some K2 out again so it could have been this.

Mayor Don adjourned meeting at 6:12 p.m.
