Coordinator's Comments-

Lauren said next month she will discuss the data that has been collected over the past 5 years of the DFC Grant.

Lauren asked for us to put on our thinking caps for suggestions on how we can reach out to the community during times of pandemic.

Lauren has sent newsletters with information about substance abuse out to schools so hopefully they sent out information to parents. Also sent information to DeWitt Observer on alcohol/social host since it was Homecoming. Will be sending to Clinton Herald as well.

October 5 at 7pm there will be a free screening at Hwy 61 Drive Inn in regards to stories of how surgery and opioids transformed three families.
