

A close-up portrait of Dr. Shivi S. Siva, a woman with long dark hair, smiling. She is wearing a red beaded necklace and a white top. A stylized graphic of the Mason City Clinic building is overlaid on the bottom left.

MASON CITY CLINIC WELCOMES DR. SHIVI S. SIVA.

Mason City Clinic is pleased to announce the addition of Shivi S Siva, MD, to the Gastroenterology Department.

Dr. Siva studied premedicine at North Colombo Medical College in Sri Lanka and transferred to Ross University in Dominica, West Indies to finish her medical degree. She completed her internship and residency in the Internal Medicine Department at Pennsylvania-Hahnemann University Hospitals in Philadelphia. Dr. Siva completed fellowships in GI at Graduate Hospital in Philadelphia, PA, Indiana University in Indianapolis and London Deanery, University of London, UK. In addition to her GI fellowships, she completed an advanced fellowship in inflammatory bowel disease at the University of Chicago.

Dr. Siva is an active member of the Crohn's & Colitis Foundation and is certified by the American Board of Internal Medicine.

In her free time, Dr. Siva enjoys swimming, fine foods and art.

Dr. Siva is seeing patients at the Mason City Clinic offices at 250 S. Crescent Drive, Mason City. To schedule an appointment with Dr. Siva, call 641-494-5350.
