

PRAIRIE PLAYGROUND PRESERVATION

2020-21 *YIELD* Community Impact Project

Broken equipment

Faded & splintered wood

Holes & missing mulch

Warped boards

About the Project:

"Prairie Playground Preservation" is a project of the 2020-21 ***YIELD*** (*Youth Investing Energy in Leadership Development*) class. Students are passionate about restoring a place they grew up playing and want it to be available for future generations to enjoy.

The ***YIELD*** group plans to stain the playground, make needed repairs on the equipment and structure, and potentially purchase engineered wood mulch (an ADA-approved fall surface material), if funds allow. Donations will be collected this fall and students will execute updates in the spring.

Donations needed:

In order to fully restore the playground, the students will need to raise funds to purchase the necessary materials. Those wishing to contribute to the project can send monetary donations to the Chamber of Commerce (9 N Federal Ave, Mason City). Please note "YIELD project" in the memo. Donations will be accepted through the end of December 2020.

Contact:

Questions? Please contact Allyson Krull at the Chamber of Commerce: akrull@masoncityia.com or 641.423.5724.

Help us preserve one of Mason City's great treasures!
