

For Immediate Release

MercyOne North Iowa Internal Medicine Welcomes Nazmul Kabir, MD

MASON CITY, IOWA; March 24, 2021- MercyOne is pleased to welcome [Nazmul Kabir, MD](#). Dr. Kabir will join the team at MercyOne North Iowa Internal Medicine.

As a rheumatologist, Dr. Kabir's clinical specialties include arthritis, lupus, polymyalgia rheumatica, psoriatic arthritis, rheumatoid arthritis and vasculitis.

Dr. Kabir enjoys talking to and getting to know his patients. "I find medicine a fascinating field of science," said Dr. Kabir. "I love the challenge of finding out what is wrong, providing appropriate remedies and working with my patient to get to the bottom of the unknown."

MercyOne North Iowa Internal Medicine is dedicated to providing a safe environment for patients and colleagues. MercyOne has implemented [numerous precautions](#) and safe practice guidelines and is adhering to all CDC guidelines including social distancing, mandatory masks for everyone over two years of age and using increased cleaning procedures.

Patients interested in an evaluation with Dr. Nazmul Kabir at MercyOne North Iowa Internal Medicine should contact their primary care provider for a referral.

About MercyOne North Iowa

[MercyOne](#) is a connected system of health care facilities and services dedicated to helping people and communities live their best life. MercyOne's care providers and staff make health the highest priority. The system's clinics, medical centers, hospitals and affiliates are located throughout the state of Iowa and beyond. Headquartered in central Iowa, MercyOne was founded in 1998 through a collaboration between CommonSpirit Health and Trinity Health – two of the country's foremost, not-for-profit Catholic health organizations. Getting well and staying well is MercyOne North Iowa Medical Center's highest priority. Our clinics, medical centers and affiliates are never too far from home, allowing us to improve the lives of individuals and communities across the North Iowa area and beyond.
