## SPONSORS:

**JESSE  
ROSS**  
EXECUTIVE  
COACH

*Jesse focuses on transformation from the inside out and believes that every one he encounters should expect ascension. In addition to coaching, Jesse is an international speaker, certified facilitator, and also a Qualified Administrator of the Intercultural Development Inventory (IDI) which he includes in his Diversity, Equity, and Inclusion work across the country.*

*This session allows you to take some time to think through both the general strengths and weaknesses of your team, as well as the individual personalities involved.*

**NICOLE MARTIN**  
CHIEF EMPOWERMENT OFFICER  
AND FOUNDER OF HRBOOST

*Nicole has been honored by multiple organizations including most recently as a 2017 Annual Awardee for Business Excellence by the Daily Herald Business Ledger, and a 2016 Enterprising Women of the Year Champion by Enterprising Women Magazine. A sought-after expert, her knowledge and advice have been featured in newspapers and magazines throughout the country. Recent publications in which she has been seen include Forbes.com, the Daily Herald Business Ledger, and Fast Company.*

*In this session, leaders will enter knowing the time is NOW for businesses to retain, attract, or compete with talent. Yes, in a perfect world, all businesses would be high performing with high performing talent at the core of their purpose and success.*
