## Leadership Candidates

Leadership...what is it and do I have it? The *Leadership North Iowa* (LNI) program is beginning its 36th year and is designed to identify and develop future leaders in our community. Good leaders know the importance of lifelong learning and networking - LNI provides both by connecting you with emerging and established leaders. Participants will learn new leadership skills and complete a service project for community betterment. Even participants born and raised in the North Iowa area admit to having learned information about the area that was never before revealed to them. Employers will benefit from employees who are more engaged in their community, have a greater appreciation of North Iowa, and are more committed to staying in the area. The program also benefits those residents who are new to the region.

## Tuition

Tuition for LNI is \$395 for Chamber members or \$500 for non-members, and includes \$50 toward a service club of choice, instruction fees, materials, refreshments, and graduation reception. Tuition may be paid by the employer, sponsoring organizations, or by the participant.

## Time Commitment

Each participant is expected to attend class sessions held every Thursday from January 9 - March 26, with a graduation ceremony on April 2. Due to limited enrollment, applicants are encouraged to register soon to ensure acceptance into the program.
