Unlock Your Purpose

WHAT IS PURPOSE?

Purpose Defined

Purpose is a noun and a verb. Purpose means *a plan, strategy, and/or prescription*. Purpose also means *to will a thing into existence to ordain it to be*.

The word “prosthesis” is also used to indicate a thing that comes before a presentation or something else.

So your purpose is the **plan for your life that God willed to be**. It was **laid out before you were born**. And you have been sent into the earth to fulfill it.

The good news is you are on on this path alone. God is with you and is committed to your success.

All that is need now is your conviction and agreement to *walk in your purpose ON PURPOSE*.

SIX KEY FACTORS ABOUT PURPOSE – (ESTHER CHAPTERS 1 – 3)

1. You are born with a purpose.
2. Your purpose comes from God.
3. Your purpose is not about you.
4. Your purpose will cost you something.
5. Your purpose has a natural flow – ***power and prosperity.***
6. Your purpose must be done ***on purpose.***

THE DESIRE QUESTIONS – *GETTING TO THE HEART OF PURPOSE*

Desire is for “of the Father”

De = of

Sire = Father

Following your heart's desire – or **passion** – is the key to your activating your potential and unlocking your purpose.

1. What is your heart's desire?
2. What “social or spiritual” issue/challenge weighs heavily on your heart?
3. What do you think God would have you to do about this – *as His earth ambassador?*

FIGURING IT ALL OUT! WHAT WERE YOU BORN TO DO?

The process to discovering or “uncovering” purpose is tedious work, that requires focus, intention and commitment. Use the table on the next slide to brainstorm about the three categories of activities. You can always make adjustments later. But if you’re tired of being “all over the place,” this is a great place to start and a necessary process.

FOUR ESSENTIAL QUESTIONS TO UNLOCK YOUR PURPOSE

1. Why are you here?
2. What am I supposed to do?
3. Who am I supposed to reach and/or help?
4. What resources, talents, skills and/or connections do I have to work with?
