

JCFS Chicago and the Duman Opportunity Center are dedicated to helping employers build a diverse and inclusive workplace. Through innovative and forward-thinking programs, we match qualified candidates to meet your specific hiring needs.

- We partner with businesses of all sizes and industries.
- Our strategies are proven to increase employee job retention, productivity, morale and loyalty, reducing turnover while improving your bottom line.
- JCFS views each employer as a unique partner providing individualized services to increase productivity and workplace diversity.
- We represent a motivated workforce of people with disabilities from entry level to experienced workers with varying abilities, skills, interest and employment histories.
- Through customized employment strategies our trained staff provide consultation to not only fill open positions but also look to increase the businesses bottom line by focusing on your unmet needs. Customized employment practices explore tasks currently performed by employees that might be better suited for others in the workplace, allowing current employees to perform tasks that are more directly related to their job.
- When you hire a JCFS candidate your business has access to a wider, untapped talent pool.
- JCFS only presents candidates that meet or exceed your requirements for the position.
- After the candidate is hired, we provide follow up and guidance which may include initial and/or ongoing support to you and the new employee.
- Services are provided at a no cost obligation to the employers.
