

Join us for a panel discussion on
Parenting in an Era of Screen Time

What are the affects of screen time on the brain
and your child's brain development?

How does screen time impact your child's behaviors and emotions?

How do we set positive limits without having the negative affects?

Where do we go from here?

Wednesday, April 24th
6:30 pm - 8pm
Old Greenwich School Cafeteria
(entrance on side of school by parking lot)

Panelists include:

- Dr. Fabian A. Boie, Greenwich Public Schools
- Dr. Surekha Shenoy, Darien Pediatric Associates
