

## Proposed Priority Group for Child Care and Order Priority Policy Change

- Add as a priority group for child care:
  - Children of families living in a desert area

A child care desert is defined in Texas Labor Code §302.0461(b)(2)(A)(i) as an area where the number of children younger than six years of age who have working parents is at least three times greater than the capacity of licensed child care providers in the area.
