

HOSPITALITY MINISTRY

Curious about this ministry?

Go on a “Ride Along”!

Before worship Hospitality Ministers offer a warm welcome to all who are in attendance paying particular attention to those who are new to St. George. Helping our first-time guests find their way around the building (restrooms, childcare, etc) and a seat. If needed, seat them by a more seasoned member of St. George who can help those who are new get oriented during worship. Hospitality Ministers also count the attendance, pass the offering plates, help the congregation move forward for communion and alert the priest to take communion to anyone who has mobility challenges. Contact Jennifer Kirkland (jkirkland@saintgeorgechurch.org) for more information.
