

This summer is going to look a lot different for us, but that doesn't mean we can't make it a special one, in it's own way!

Welcome to Quest in a Box: Our Summer of Bible fun! With activities that are fun for kids of all ages...parents can even have fun too...Quest in a Box can help you grow closer to God during our time apart! Quest in a Box focuses on our "quest" for the summer..."to glorify God and enjoy Him forever." Glorify God and enjoy God! That is our quest! Everything included in the box will challenge children...and families...to glorify God and enjoy God in (3) different ways! Two just for the kids...and one the whole family will do together!

WHAT'S INCLUDED:

- **Glorify God & Enjoy God through interactive devotions:** Each box will include a variety of interactive devotions and activities to draw your child closer to God. Everything you need to do the activities will be included in the box...i.e. magic sand, glow bracelets, color changing beads, sun paper...just to name a few. Normal household items like paper, glue, scissors are not included in the box.
- **Glorify God & Enjoy God by becoming the best versions of yourself:** Each box will include an interactive 36-page self-guided children's adventure workbook called **"Growing Like Jesus"**! It is a summer growth plan that gives children eight 30-day challenges that will help them develop new habits and become the best versions of themselves! Each adventure workbook guides your child each step of the way providing insights, encouragement and a fun way to track their progress. Siblings could easily turn these challenges into friendly competitions! The Growing Like Jesus adventure workbook is simply a road map for kids to start living better, fuller, more intentional God-glorifying lives... just like Jesus.
- **Glorify God & Enjoy God by growing your faith together as a family:** Each box will include our Summer 2020 Family Bucket List Challenge! It's an exciting family activity packed with awesome ideas that make it easy for families to grow in faith and create fun summer memories. The challenges fall under a variety of categories: physical+health,

relational, community, spiritual etc. At the end, the family with the highest number of points wins a prize!!
