

MEDIA MINISTRY

Curious about this ministry?

Go on a “Ride Along”!

The Media Ministry are women and men of all ages who run the slideshow on Sunday morning. This is important in helping everyone stay on pace with the liturgy since it is all on screen. A general familiarity of the Sunday liturgy and a sense of confidence in working on a computer are the skills needed to be a part of this ministry. Please contact Molly Henry (mjhenry123@gmail.com) or Bernadette Williams (bwilliams@saintgeorgechurch.org) for more information.
