

Forgiveness is hard sometimes, but when we are able to forgive others, our church and community become whole. We're lucky...because in this Bible story, Jesus teaches us what to do if someone is mean to us or to someone else. We learn that we are all a part of the body of Christ and we are all valuable in the eyes of God. We learn how to treat each other and how we are to best live as the family of God.

Click the links below and take a listen to what Jesus tells us on how we should treat others, sing songs and do some activities!
