

YELLOWSTONE AVE. CONCRETE REPLACEMENT

PLEASE NOTE: The City of Chubbuck is replacing a water main between Circle Inn Street and Mingo Lane during this project. If you have questions about the water main project, please call (208) 237-2400 and select dial extension 107.

The Idaho Transportation Department will replace aging concrete on Yellowstone Avenue (US-91) in Chubbuck and Pocatello this summer and fall.

WHAT TO EXPECT

- Lane closures will occur on Yellowstone Avenue. Flaggers will direct traffic when necessary.
- Work hours will vary. Expect nighttime work.
- Access to driveways and side streets will be restricted for several hours during paving.
- Work will be noisy. The area will be well-lit at night.
- Large vehicles and heavy machinery will enter and exit the work zone frequently. Please slow down and pay attention.

Your Safety • Your Mobility
Your Economic Opportunity
