RE: Community Outreach Meeting for SW River Road Closure for Deep Sewer Construction

Dear Neighbor,

Pacific Community Design (PCD) and New Home Company would like to invite you to an in-person community outreach meeting regarding the requested 165-day (5.5 month) closure of SW River Road between SW Davis Road and SW Rosedale Road for the construction of a deep sewer trunk line in the public right-of-way.

Details of the meeting are provided below:

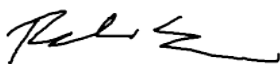

When: September 16th, 2025, 6:00 - 7:00 pm
Where: Witch Hazel Elementary School - Library
4950 SE Davis Rd.
Hillsboro, OR 97123

The purpose of this meeting is to provide surrounding property owners and residents with additional information regarding the project, timeline, and details of the alternatives presented during the Board of County Commissioners meeting on August 26, 2025. During the meeting our team will answer questions related to public safety measures, vehicular access, and how the project complies with relevant City of Hillsboro and Washington County development and construction standards.

If you have questions but will be unable to attend, please feel free to contact our team at: RiverRoad@pacific-community.com

We look forward to discussing this project with you.

Sincerely,

Patrick Espinosa, PE
President / Principal Civil Engineer
