Socio-Economic Forms

We are requesting the help of our Panda families in completing the socioeconomic forms that were sent home with students at the beginning of the school year. The information on this form allows Pershing to receive state and federal funding that is used to hire personnel, provide tutoring services, purchase technology, and provide professional development. If you do not have the blue socioeconomic form that was sent home at the beginning of the school year, you can also complete the form in the “Forms” section of HISD Connect. For assistance in completing the forms online, please visit the [Back to School Forms](#) section of our website.

School Picture Day

Please mark October 25 on your calendars. Students will have their school pictures taken that day. Students do need to be in dress code.

HISD Parent University

The Houston Independent School District is holding its second Parent University event for the 2021-2022 academic school year on **Tuesday, October 19, 2021**. This session will focus on Digital Citizenship. Parent University connects parents and students to HISD and community resources to help support successful outcomes as well as safe and healthy environments at home and in school. Sessions will have live translation audio in Spanish, Arabic, and Vietnamese. For more information, please visit www.houstonisd.org/parentuniversity.

Student Drop-off & Pick-up

This is a reminder that all students who are car riders are to be dropped off and picked up on Blue Bonnet Blvd. Please DO NOT drop off or pick up in our parking lots, along Braes Blvd., or on Stella Link. Our buses use Braes Blvd to drop off and pick up our bus riders, so please do not park along Braes Blvd. Remember that school starts at 8:30 and ends at 4:00. All students need to be in class by 8:30 and picked up by 4:30. Thank you for your assistance in helping our students stay safe!
