Declaration of the Commencement of Ramadan 2020

The ISGH Fatwa Committee met today and declared that the **First day of Ramadan 1441 will be on Friday April 24th, 2020** based on the principle of Global Moon Sighting.

The ISGH Fatwa Committee strongly recommends that all prayers and other religious activities including Taraweeh should be performed at home for the safety of the community during the current Covid-19 pandemic and to avoid the potential of spreading it to others.

On behalf of the Shura, all the ISGH elected officials, the staff and volunteers of ISGH, we wish you and your family a very happy and blessed Ramadan.

Ramadan Kareem.

Wassalam,

Sohail Syed
