

**And the
decision is....**

Thank you for all who have taken the time to comment and respond to our Facebook poll regarding our shoe policy. The majority of responses were overwhelmingly in favor of this new policy with certain limitations. We are going to conduct a year long experiment on both campuses.

On University, tennis or athletic shoes will be allowed except on chapel days, during special assemblies or events, or when representing the school off campus in the community. On these days, designated uniform shoes will be required.

On Japonica, tennis or athletic shoes are an option in place of uniform shoes. They must be black, gray, white, red, or any combination of those colors. Those of you on Japonica who have already purchased your uniform shoes, and have not worn them, will have the option to return them. Zoghby's has been contacted and will welcome the return if they have not been worn.

Thank you!
