

St. Luke's Episcopal Veterans Day Celebrations
Monday, November 12, 2018

Each year St. Luke's likes to recognize and honor our veterans for their service to our country. Both the Japonica and University Campuses will have special events on Monday, November 12. If you have friends or relatives who are veterans, please invite them to attend these events.

The University Campus- The University Campus will begin the day with a breakfast for our veterans and family members from 7:00-7:45 followed by a special assembly at 8:00 in the Moorer Center for the Performing Arts. There will be performances by our band, choral and drama students as well as patriotic artwork provided by our art students. Our guest speaker this year will be Congressman Bradley Byrne.

The Japonica Campus- At 10:00, the Japonica Campus will have a special program of patriotic music provided by our 5th grade students. Following the program, there will be a reception in St. Luke's Hall for our veterans and their family members.

Both campuses would like for our veterans both past, present, and future to know how much we appreciate them by creating a **Wall of Honor**. By doing so, we will need the following information:

Rank(if known)_____
