## National Standards

Our National Standards we have been using are: Singing Alone and With Others, Exploring Musical Concepts, Producing Rhythm on Non-Pitched Instruments, Memorizing Music.

## Did You Know??

Children who study music tend to have larger vocabularies and more advanced reading skills!

## SEPTEMBER

*What have we been doing?*

Our students have been busy this first month of school! Our 5th graders are hard at work starting to learn their Veteran's Day program. The rest of our school has explored singing rounds, playing rhythm instruments; learning about loud and soft, high and low, and fast and slow sounds; playing boomwhackers, creating melodies; singing acapella, and learning solfege! In September, we will be doing rhythm activities, expressive movement activities, and of course, more singing!
