WILDCAT FOOTBALL INTEREST MEETING - SAVE THE DATE (MAY 4)

Rising 7th-12th graders interested in playing football— Coach Cauley invites you and your parents to an important informational meeting on May 4th at 6:00 p.m. in the STEM+M Center.

This meeting will cover all things football for the upcoming season, including expectations, schedules, and opportunities to get involved. It's a great chance to learn more about the program and prepare for the season ahead.

If you have any questions, please contact Coach Cauley at rcauley@slesmobile.org.

We look forward to seeing you there and building an exciting season ahead!

UNIVERSITY CAMPUS

Announcements

St. Luke's Art Camp with Mrs. Cummings

High School Students + Adults, \$125.00

June 2-4 6:00 p.m. - 9:00 p.m.

1400 S. University Drive; Mobile, AL

Dive into a dynamic, hands-on workshop designed for High School students and adults. This creative workshop focuses on combining multiple materials—paint, paper, colored pencils, ink, and printmaking—to create layered, textured, and expressive artwork. Participants will experiment with a variety of techniques to develop creative, bold, and personalized artistic work.

Email dcummings@slesmobile.org.

St. Luke's Science Camp with Mr. Mutchnick

For Rising 5, 6, 7, and 8th Grade

\$197 (includes supplies and fees)

June 8-12 8:00 a.m. until noon.

3975 Japonica Lane

251-604-9724 or email gmutchnick@aol.com

Students will explore a wide range of scientific disciplines through hands-on discovery—conducting experiments, creating a real sonic boom, investigating the effects of light, and diving into space science by following the Voyager 1 and Voyager 2 missions. They'll learn about electricity by generating up to 50,000 volts with a Van de Graaff Generator, then apply their knowledge by soldering and building a working circuit board—and so much more.

St. Luke's Engineering Camp with Mr. Mutchnick

For Rising 5, 6, 7, and 8th Grade

\$197 (includes supplies and fees)

June 15-19 8:00 a.m. until noon

3975 Japonica Lane

Students will study, design, build, and test—through friendly competitions—cars, floating cars, hot air balloons, airplanes, and boats. Along the way, they'll explore aeronautical engineering and learn about NASA. Students will design, build, and launch straw rockets while studying solid rocket propulsion, test their engines, and so much more!

More about Mr. Mutchnick

Summer Journalism Camp with Ms. Harville

For rising 9th-11th Grade

\$50

July 22-26 9:00 a.m. - 2:00 p.m.

1400 S. University Blvd - STEM+M Center

Ever wondered how the news is made? Want to be on camera, behind the camera, or designing a yearbook spread? This one-week summer camp gives students hands-on experience in real journalism, from interviewing and writing to filming, photography, and design.
