

ART SEPTEMBER/OCTOBER 2018

October/November Newsletter

Hi Parents! What a wonderful month we had learning about POP ART! The students and I studies artists such as Andy Warhol, Roy Lichtenstein and Keith Haring! Many of the projects you have seen come home this past month were created with the inspiration from one of these amazing artists! Looking forward to November, we will turn our attention to all things Americana! Our featured artist is Jasper Johns! I am looking forward to introducing Jasper's work as we discuss his unique style.

Happy Thanksgiving!
