Unfortunately after this date, we will be unable to refund your payment due to planning. Your spot is reserved in the order payment is received. Priority will be given to regular SL+ attendees and those that selected "yes" on the interest form that was sent out previously. If available, spots will be opened to all students. Payment for the full camp is due, even if you do not attend the entire camp.

As mentioned in the interest form, each age group needed a minimum number of students to make a class. Enough interest was not met in some classes. In order to proceed with Thanksgiving camp this year, it has been approved to combine some classes. We strive for our parents to be well informed in order for each family to make the best decision for their family to participate in Thanksgiving camp.
