## St. Luke's Library-Mrs. Tillman

**Go Wildcats!**

We have had a wonderful first few weeks in the library! The students have learned so much about book care, library organization and how much fun reading can be. In the first four weeks the students (1st-5th) have checked out just over 700 books! We also already have a Millionaire Club member - Rishi Gupta!

Thank you so much to those that have sent in birthday book forms. This is a great way to recognize your child and also add books to our library. It is never too late to send them in.

If you would like to volunteer in the library please email me at [ktillman@stlukesmobile.com](mailto:ktillman@stlukesmobile.com)

Thanks for sharing your precious children with me each week!
