JAPONICA CAMPUS DESIGNATED SPIRIT WEAR DAYS

On designated days, students in K2-5th grade may wear "spirit wear." Spirit wear consists of a St. Luke's t-shirt or sweatshirt, fingertip-length shorts or pants, St. Luke's cheer uniform, or St. Luke's athletic jersey.

Athletic shorts, cutoff shorts, rips/holes are not allowed. Athletic tennis shoes must be closed-toe without wheels or lights and can be red, grey, white or black.

- May 1 - Spring Fest - Red & Black/Spirit Wear
- May 18-21 - Spirit Wear Week (in conjunction with the Used Uniform Sale)

STANDARDIZED TESTING TIPS FOR PARENTS (APRIL 20-24)

Standardized testing for students in 1st-8th grades will be April 20-24. Below are some helpful tips to ensure our students do their best!

TEST PREPARATION TIPS FOR PARENTS

1. Prioritize Sleep

Ensure your child gets a restful night's sleep before each day of testing. Adequate rest is crucial for concentration and cognitive function.

2. Healthy Breakfast

Start the day with a nutritious breakfast to fuel your child's brain.

3. Medication Management

If your child requires medication, please ensure it is taken as prescribed to maintain their well-being and focus during the tests.

4. Punctuality

Arrive at school on time to set a positive and stress-free tone for the day.

5. Materials Checklist

Equip your child with all the necessary materials, such as pencils and erasers, to avoid any last-minute-minute scrambles.

6. Health Considerations

If your child is not feeling well, please inform the school office. It is important for students to be in good health to perform their best.

JAPONICA CAMPUS: TEACHER APPRECIATION WEEK (APRIL 20-24)

The Japonica Campus CVC has planned an exciting week to celebrate our amazing teachers. Details are provided below. If you have any questions, please email japonicacvc@slesmobile.org.

ST. LUKE'S EPISCOPAL SCHOOL

TEACHER APPRECIATION WEEK

LET'S SHOW OUR STAFF SOME BIG LOVE!

APRIL 20TH - APRIL 24TH

We are excited to celebrate our amazing Teachers and Staff this week! To help make the week special, we are asking each student to donate at least \$10 to support the planned appreciation events. Payments can be made with cash, a check made out to SLES, or by scanning the QR code.

We would also love for each child to bring a handwritten thank-you note or a colored picture for their teachers on Monday. Volunteers are needed to eat lunch with their students on Friday, April 24th, to give staff a much-deserved break.

During the week, the staff will be provided breakfast, lunch, special sweet treats, and a gift as a token of our appreciation.

Thank you for helping us make this a special week for our wonderful teachers and staff!

Please email japonicacvc@slesmobile.org with any questions or to volunteer for lunch duty on Friday, April 24th.

CAMP WILDCAT 2026: REGISTRATION

Camp Wildcat 2026 registration is officially open!
Save your spot today and get ready for an amazing summer ahead.
If you have any questions, please contact campwildcat@slesmobile.org.

JAPONICA CAMPUS

Announcements

St. Luke's Episcopal School Camp Invention

For Rising K5-6th grade

3975 Japonica Lane

May 26-29 8:00 a.m. - 4:00 p.m.

Website to register: <https://www.invent.org>

Description: Camp Invention is an exciting summer enrichment program filled with fun, hands-on STEM adventures led by qualified local educators, designed to spark creativity, build confidence and ignite a lifelong love for learning. Email aminiard@slesmobile.org with any questions.

St. Luke's Science Camp with Mr. Mutchnick

For Rising 5, 6, 7, and 8th grades

\$197 (includes supplies and fees)

June 8-12 8:00 a.m. until noon

3975 Japonica Lane

251-604-9724 or email gmutchnick@aol.com

Students will explore a wide range of scientific disciplines through hands-on discovery—conducting experiments, creating a real sonic boom, investigating the effects of light, and diving into space science by following the Voyager 1 and Voyager 2 missions. They'll learn about electricity by generating up to 50,000 volts with a Van de Graaff Generator, then apply their knowledge by soldering and building a working circuit board—and so much more.

St. Luke's Engineering Camp with Mr. Mutchnick

For Rising 5, 6, 7 and 8th grades

\$197 (includes supplies and fees)

June 15-19 8:00 a.m. until noon

3975 Japonica Lane

Students will study, design, build, and test—through friendly competitions—cars, floating cars, hot air balloons, airplanes, and boats. Along the way, they'll explore aeronautical engineering and learn about NASA. Students will design, build, and launch straw rockets while studying solid rocket propulsion, test their engines, and, at the end of the week, construct real rockets capable of soaring up to 1,000 feet in the air. Parents are invited to attend the launch!
