St. Luke's Wildcats Football / Soccer / Track / Cross Country Barricade Banner Program 2022-23

Large-scale promotions of your business on one of the busiest fields in Mobile County is the way to go! With a competitive athletic program and numerous visiting teams, St. Luke's Episcopal School can promote your business to our families, faculty, staff, coaches, and thousands of visitors from a variety of Alabama schools as well! Every spectator will notice your **double-sided barricade sign** on our multi-sport field when you support our school, we guarantee it!

Our football/soccer field is encompassed by a track and used for multiple sports and school functions. It serves as the home field for our Football team, as well as the Girls Varsity and Boys JV and Varsity soccer teams. In addition, numerous summer camps are held here for youth from throughout the county. The cross-country, and track and field teams also use this field. The number of potential patrons exposed to your sponsorship sign will be in the thousands. We have high school teams from Saraland, Semmes, UMS Wright, Baker, Davidson, St. Paul's, Bayside, and Faith Academy, as well as teams from middle and lower elementary programs competing on this field. We have also hosted teams from outside of Mobile County! In addition to these sporting events, St. Luke's holds several other functions and events on this field including Donor Appreciation Day, Back to School and Homecoming festivities, as well as other celebrations. AND your sign may be moved for special events throughout the year when barricades are used on both campuses.

Each sign measures appx 4 feet x 6 feet and will include your business name, contact, and logo.
