

SHOPPING AT PUBLIX?

EARN MONEY FOR SLES EVERY TIME YOU CHECKOUT AT PUBLIX

St. Luke's is a Publix Partner School!

You can easily earn money for St. Luke's every time you shop for groceries!

Earn money for St. Luke's every time you checkout at Publix!

How does Publix Partners work?

1. Go to clubpublix.com. Log in or sign up. Click on your name/profile in the top right. Scroll all of the way to the right and click on "My Publix Partner." Enter "36609" for the school's zip code to select St. Luke's.
2. Enter your phone number every time you checkout.
3. A portion of your eligible purchases will be donated to St. Luke's.

Publix Partners has contributed \$38.7 million to more than 4,950 schools across the Southeast.

Funds from sources like this give us the opportunity to buy items outside of what we already budget for. These dollars can be spent towards those special extras. This year, we will use any Publix Partner funds to purchase additional Lego resources for the Science Labs on both campuses.

Thank you for supporting St. Luke's when you shop!
