

AUGUST

16

BEST INDUSTRY NIGHT

**St. Luke's Episcopal School
Moorer Theater**

August 16, 6 pm - 7 pm

Rachel McDonald, an educator from the Dauphin Island Sea Lab, will speak about plastics, microplastics, recycling and reducing our impact on the oceans. This talk will be a CEU credit for St. Luke's students and is open to all Jubilee BEST Robotics teams.

St. Luke's Episcopal School - 1400 University Blvd. S
