

MRS. STRINGER'S MUSICIANS

Singing | Playing | Creating

Important Dates:

November 8:

5th Grade field trip to Veterans Home to perform Veteran's Day Program (leave at 8:30)

November 12:

5th Grade Veteran's Day Program

November 14:

K3/K4 Thanksgiving Program

National Standards

Our National Standards we have been using are: Singing Alone and With Others, Exploring Musical Concepts, Producing Rhythm on Non-Pitched Instruments, Memorizing Music.

Did You Know??

Learning music requires practice; therefore, it promotes craftsmanship. Students strive to create great work instead of mediocre work.

October

What have we been doing?

The month of September was awesome! Our 5th graders performed the Star Spangled Banner in chapel as well as at a Varsity Football Game! They are still hard at work preparing their

Veteran's Day Program. Our K3 and K4 classes have started learning their Thanksgiving Program; our 3rd graders have started learning their Colonial Christmas Program, and our 1st graders are working hard on their Christmas Joys Program! This month, our 4th graders will continue to learn basic composition of music by creating songs and pieces of music in groups, and our 2nd graders are learning the note names in order to start playing the handbells! Music class is so much fun!
