

# St. Luke's Episcopal School

2018-2019

St. Luke's Episcopal School is excited to unveil our designations for the 2018-2019 Mother Oak Annual Fund. This new approach gives you, the donor, the opportunity to designate your dollars to the area of St. Luke's that resonates with you. You may choose to support programs that are at the heart of a St. Luke's education by making a gift to any of these areas, or to where the need is greatest. All support the current school budget and ensure the continued tradition of excellence that was begun in 1961.

## **Mother Oak Annual Fund Designations for 2018-2019**

### **Area of Greatest Need (preferred)**

An unrestricted gift allows St. Luke's to utilize your contribution where it is most vitally needed, directly benefiting students through the support of faculty, staff, and programs.

### **Athletics**

Gifts directed to Athletics will support the physical growth and development of St. Luke's students and teaches the importance of fitness and health. The athletic and physical education programs emphasize cooperative learning while instilling motivational strategies, leadership skills and self-confidence in each child.

### **Arts**

Gifts directed to Arts will enhance opportunities for St. Luke's students to participate in programs such as drama, music, and visual arts. The integration of art in a child's education encourages the discovery and development of creative potential and individual talents in a supportive environment.

### **Technology**

Gifts directed to Technology will bolster St. Luke's commitment to providing a state of the art infrastructure that supports today's classroom technology needs for our students and faculty.

### **Financial Assistance**

Gifts directed to Financial Assistance supports our tradition of enrolling students with a diversity of talents, backgrounds, and experiences by providing tuition supplementation to families who otherwise would not be able to attend St. Luke's Episcopal School.

As with all independent schools and colleges, the annual fund is a vital part of the annual budget. Every family is asked to participate by giving something. Grants are often awarded or declined based on the participation percentage of our constituents. So this year our theme is...

**Your Gift. Your Choice.**
