WHY JOIN ST. LUKE'S BEST ROBOTICS TEAM?

STEM Education: Robotics clubs provide an engaging platform for students to learn about Science, Technology, Engineering, and Mathematics (STEM) with hands-on activities. Through building and programming robots, students develop a deeper understanding of these subjects and how they can be applied in real-world scenarios.

Problem-Solving Skills: Building and programming robots requires creativity, critical thinking, and problem-solving skills. Students learn to identify problems, brainstorm solutions, and iterate on their designs until they succeed. These problem-solving skills are invaluable in all areas of life, not just robotics.

Teamwork and Collaboration: BEST Robotics is a collaborative endeavor that requires teamwork and communication. By working in teams to design and build robots, team members learn how to communicate effectively, delegate tasks, and work together towards a common goal. These teamwork skills are essential for success in school, the workplace, and beyond.

Creativity and Innovation: Robotics teams encourage creativity and innovation by giving children the freedom to design and build their own robots. Whether they're creating a robot that can navigate an obstacle course or solve a complex puzzle, children can unleash their imagination and push the boundaries of what's possible.

Preparation for the Future: In an increasingly technology-driven world, robotics skills are in high demand. By joining our robotics team, students gain valuable experience with cutting-edge technology and develop skills that will be highly sought after in the future workforce.

UNIVERSITY CAMPUS

Important Dates

June

June 27	Bingo Night 6:00 - 9:00 p.m. (<i>University Campus Dining Hall</i>)
June 29	Cheer Parent Meeting 7:45 a.m. (<i>STEM+M Center</i>)
June 29-July 3	Both Campuses Closed

July

July 14-16	Cheer Camp (<i>University of Southern Mississippi</i>)
July 31	Last Day for Senior Portraits at M&A

August

August 5	Wildcat Welcome 6:00 p.m. (<i>6th Grade and All New Students in Grades 7-12</i>) (<i>Auditorium</i>)
August 6	New Faculty & Staff Orientation 9:00 a.m. - 12:00 p.m. Faculty Fun Night 5:30 - 7:30 p.m.
August 7-12	Marching Band Camp 7:00 a.m. - 12:00 p.m.
August 10	Teacher Workday
August 11	Teacher Workday
August 12	1 st Day (<i>Chapel Attire Required</i>) 6 th Grade Welcome Walk 7:55 a.m. 9 th Grade Passing Through the Gates (<i>After Welcome Walk/Morning Assembly</i>) Student Portraits For Yearbook Half-Day (<i>12:00 Dismissal</i>)
August 13	Regular Uniform Half-Day (<i>12:00 Dismissal</i>)
August 14	First Full Day
August 17	After School Care Available
August 26	Honors Pledge Assembly 8:00 a.m. Senior Yearbook Ads are due
August 28	Pep Rally 2:30 p.m.
