BBB INDUSTRIES NAMED ONE OF THE 2022 BEST COMPANIES TO WORK FOR IN ALABAMA BY BUSINESS ALABAMA MAGAZINE

DAPHNE, ALABAMA – BBB Industries, LLC (BBB) was recently named one of the Best Companies to Work for in Alabama at an awards ceremony on Dec. 1 in Birmingham, Ala.

"With 75% of the selection criteria being focused on employee feedback and the employee experience, it makes us particularly proud to be named one of the Best Companies to Work for in Alabama," said BBB's CEO Duncan Gillis. "Our company and our culture are special, and we are honored to receive this recognition."

To learn more about BBB's culture and career opportunities, please visit the [BBB Careers](#) page.

This annual program is in its thirteenth year - created by Business Alabama magazine and Best Companies Group. The Best Companies Group survey and awards program was designed to identify, recognize, and honor the best employers in Alabama, benefiting the economy, workforce, and businesses. Working environment, role satisfaction and the opportunity to contribute to the Company's overall success were among the characteristics most often mentioned in BBB's employee survey.

Companies from across the state entered the two-part survey process to determine the *Best Companies to Work for in Alabama*. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems, and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top companies and the final rankings. Best Companies Group managed the overall registration and survey process in Alabama, analyzed the data, and determined the final rankings.

About BBB Industries

BBB Industries, LLC is an industry leader in the sustainable manufacturing of starters, alternators, hydraulic and air disc brake calipers, both hydraulic and electric power steering products, and turbochargers for aftermarket industries.
